

# REMEMBER FACTS ABOUT DRAFT ACT

REGISTRATION IS REQUIRED OF  
ALL BETWEEN THE SPECI-  
FIED AGES.

## INDIVIDUAL IS RESPONSIBLE

Each Man is Held Under Penalty For  
Putting His Name on Rolls.—Rules  
of the Registration and Other Infor-  
mation Every Man Should Know.

Regulations for registration June 5 under the selective draft act for the national army have been delivered to every county and city in the United States. All male persons between the ages of 21 and 30, both inclusive, will be required to register between 7 a. m. and 9 p. m., June 5. Failure is punishable by a year's imprisonment, without the alternative of a fine.

Here, in brief, are the points which the secretary of war and the president wish to have clearly fixed in the minds of the people.

All men are required to register—  
Who are 21 years old.  
Whose 21st birthday comes before June 5.

Whose 21st birthday comes on June 5; excepting  
Men now 31 years old.  
Men whose 31st birthday comes before June 5.

A man who will become 31 years old on June 5.

Men in the regular army or navy of the United States, the marine corps, and the officers' reserve corps.

Members of the National Guard and naval militia actually in the service of the United States on June 5.

Men in the enlisted reserve corps actively in the service of the United States on June 5.

Sickness, physical disability of any kind or absence from home does not excuse failure to register. National guardsmen not mustered into the service before June 5 must register.

A year's imprisonment is the penalty for making false statements, whether about oneself or some other person. Where the person registering is subject to military law he will be court-martialed.

Failure to register is punishable by imprisonment, without the alternative of a fine. Upon termination of prison sentence, the regulations prescribe immediate registration.

The registration in each county or similar subdivision in any state and in cities of 30,000 population or over shall be made in the customary voting precincts thereof in the places and in the manner ordinarily employed in the registration of voters so far as the same is not inconsistent with said act and these rules and regulations.

When a county has a city of 30,000 population or over, the county registration board shall have jurisdiction of the county, exclusive of the city, with a city board directing registration within the city limits. Wardens of penitentiaries and other penal institutions are charged with registration of the inmates of such institutions. Places customarily used for voting purposes in each precinct shall be used. Hours for registration are from 7 a. m. to 9 p. m.

Though very positive in terms, the regulations to effect registration for the selective draft June 5, are reasonable in their provisions, relative to absentees. The place of registration is the domiciliary precinct, but adequate provision is made for enforced absence. The burden rests on each individual between 21 and 30 years, inclusive, to see that registration certificates are entered at his domiciliary precinct on registration day. Absentees may procure registration blanks from the office of the county clerk of every county or the city clerk of cities of 30,000 population or more.

Upon application by you, your card will be made out by the clerk, turned over to you and by you it must be mailed in time to reach your domiciliary precinct by the day set for registration.

Eligibles, whose permanent homes are in cities of 30,000 or more, may direct the registration card in care of the mayor. A self-addressed envelope should be inclosed with the registration card for the return of the registration certificate. Failure to get this certificate may cause serious embarrassment.

Persons in training camps, schools or colleges or other institutions may register under the above provisions for absentees. However, for their convenience, the county clerk or clerks of cities of 30,000 or more are authorized to deputize a competent persons to certify to the registration cards of non-residents in such institutions and to furnish a sufficient supply of cards to do so. It must be borne in mind that such registration must be made in sufficient length of time before the date set by the president for registration to enable each student to mail the card. The burden of registration in his own domiciliary precinct is on every man; and persons must see to it at their peril that their registration cards are in the hands of the registrar of their domiciliary precinct at the time prescribed in the president's proclamation.

## RULES FOR REGISTERING

Questions will be asked for you to answer in the order in which they appear below. The questions are set out below with detailed information to help you answer them.

All answers will be written on the Registration Card in ink by the Registrar, who should be careful to spell all names correctly and to write legibly.

1. Name in full. Age in years. This means all your names spelled out in full. State your age to-day in years only. Disregard additional months or days. Be prepared to say "19," or "25," not "19 yrs. 3 mons.," or the like.

2. Home address. This means the place where you have your permanent home, not the place where you work. Be prepared to give the address in this way: "232 Main Street, Chicago, Cook County, Illinois;" that is, give number and name of street first, then town, then county and state.

3. Date of birth. Write your birthday (month, day, and year) on a piece of paper before going to the Registrar, and give the paper to him the first thing. Example: "August 5, 1894."

If you do not remember the year start to answer as you would if someone asked you your birthday, as "August 5th." Then say "on my birthday this year I will be (or was) \_\_\_\_\_ years old." The Registrar will then fill in the year of birth.

4. Are you (1) a natural-born citizen; (2) a naturalized citizen; (3) an alien; (4) or have you declared your intention to become a citizen (specify which)?

(1) If you were born in the United States, including Alaska and Hawaii, you are a natural-born citizen, no matter what may have been the citizenship or nationality of your parents. If you were born in Porto Rico, you are a citizen of the United States, unless you were born of alien parentage. If you were born abroad, you are still a citizen of the United States if your father was a citizen of the United States at the time you were born, unless you have expatriated.

5. Where were you born? First name the town, then the state, then the country, as "Columbus, Ohio;" "Vienna, Austria;" "Paris, France;" "Sofia, Bulgaria."

6. If not a citizen, of what country are you a citizen or subject? This need be answered only by aliens and declarants. Remember that a "declarant" is not yet a citizen of the United States. If an alien or declarant, state the name of your country, as "France," "Japan," "China," etc.

7. What is your present trade, occupation, or office? This does not ask what you once did, or what you have done most of the time, nor what you are best fitted to do. IT ASKS WHAT YOUR JOB IS RIGHT NOW. State briefly, as "Farmer," "Miner," "Student," "Laborer (on farm, in rolling mill, in automobile, wagon, or other factory)," "Machinist in automobile factory," etc. If you hold an office under state or federal government, name the office you hold. If you are in one of the following offices or employments, use one of the names hereafter mentioned:

"Customhouse clerk," "employed in the transmission of the mails," or "employed in an armory, arsenal, or navy yard," "mariner, actually employed in the sea service of citizen or merchant within the United States."

8. By whom employed. Where employed? If you are working for an individual, firm, corporation, or association, state its name. If in business, trade, profession, or employment for your-

self, so state. If you are an officer of the state or federal government, say whether your office is under the United States, the state, the county, or a municipality. In answer to the question as to where you are employed, give the town, county, and state where you work.

9. Have you a father, mother, wife, child under 12, or a sister or brother under 12 solely dependent upon you for support (specify which)? Consider your answer thoughtfully. If it is true that there is another mouth than your own which you alone have a duty to feed, do not let your military ardor interfere with the wish of the Nation to reduce war's misery to a minimum. On the other hand, unless the person you have in mind is solely dependent on you, do not hide behind petticoats or children.

10. Married or single (which)? Race (specify which)? This does not ask whether you were once married, but whether you are married now. In answer to the question as to your race, state briefly whether "Caucasian," "Mongolian," "Negro," "Malayan," or "Indian."

11. What military service have you had? Rank? Branch? Years? Nation or State? No matter what country you served, you must give complete information. In answering these questions, first name your rank, using one of the following words: "Commissioned officer," "Noncommissioned officer," "Private." Next, state branch in which you served in one of the following words: "Infantry," "Cavalry," "Artillery," "Medical," "Signal," "Aviation," "Supply," "Marine," "Navy." Next, state the number of years' service, not counting time spent in the Reserve. Finally, name the Nation or state you served. If you served under the United States or one of the states of the United States, name your service in one of the following terms: "National Guard (of such and such a state)," "Militia (of such and such a state)," "Volunteers of United States," or "Regular Army (Navy) of United States."

12. Do you claim exemption from draft? Specify grounds. Because you claim exemption from draft, it by no means follows that you are exempt. For the information of the War Department you should make a claim now if you intend to prosecute it. Some persons will be exempted on account of their occupations or offices, some on account of the fact that they have relatives dependent upon them for support. Your answer touching these things will be important in supporting the claim you now intend to make in your answer to the present questions. Be sure, therefore, that the grounds you now state are in conformity with your answers to questions 7 and 8. In stating grounds you claim as exempting you, use one of the following terms: If you claim to be an executive, legislative, or judicial officer of the state or nation, name your office and say whether it is an office of the state or nation. If you claim to be a member of a religious sect whose creed forbids its members to participate in war in any form, simply name the sect. If you are employed in the transmission of the United States mails or as an artificer or workman in an armory, arsenal, or navy yard of the United States, or if you are a mariner employed in the sea service of any citizen or merchant within the United States, so state. If you are a felon or otherwise morally deficient and desire to claim exemption on that ground, state your ground briefly. If you claim physical disability, state that briefly. If you claim exemption on any other ground, state your ground briefly.

## WONDERFUL STUFF LIFT OUT YOUR CORNS

Apply a few drops then lift corns or  
Calluses off with Fingers—  
No pain

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.

This drug is called freezone and is a compound of ether discovered by a Cincinnati man.

Ask at and drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus.

Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted off with the fingers.

This drug freezone doesn't eat out the corns or calluses but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.

## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now  
She Is a Well, Strong Woman and Praises Cardui For  
Her Recovery.

Royse City, Tex.—Mrs. Mary Kilborn, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
